Feedback from Student and Action Taken

2023-24

The college has collected feedback from the UG and PG students distributing the online response link. A total of 175 students across the course and department responded to the feedback. The feedback report has been discussed with Principal and with faculty members including IQAC members. The characteristics of the question were linked to academic and non-academic advancement, good practices, and the best milieu of the college. A total of seventeen questions were asked, sixteen were binary in nature and one was suggestive. Seventy-seven (102) male and sixty-three (73) female students responded the feedback.

The feedback collected from the students has been organized and action taken to reinforce the quality of teaching learning environment and opt opportunities to progress the inclusive academic performance comprising classroom engagement of faculty members with students to bring quality in teaching and learning.
